Crystal Figure
Skating Club
Join the Fun!!**

The Eagan Ice Crystal Figure Skating Club is a non-profit organization, dedicated to promoting the sport of figure skating. The purpose of the club is to encourage the instruction, practice, and advancement of the members in any and all of the disciplines of figure skating and to encourage and cultivate a spirit of fraternity among the youth of the community.

Club membership is divided into two categories: "junior" and "senior". Membership is open to skaters who are at least six years old and have passed USFS Basic 4 or ISI Alpha. If a skater is at least 8 years old and has passed USFS Basic 8 or ISI Delta, they may join as a "senior" member.

The "junior" category was created to provide younger skaters with the opportunity to further explore figure skating. Young skaters will continue to practice existing skills as they acquire new skills and techniques as EICFSC "junior" members.

Why join a Club as a "junior" member?

Being a "junior" member is a natural next step for a young skater. It serves as a bridge to introduce the skater to club membership prior to being a "senior" member.

Who can join?

Anyone who meets the admission criteria and has the enthusiasm, dedication, and desire to succeed in the sport of figure skating!

When is the ice time?

"Junior" members skate on dedicated "junior" ice on Sunday afternoon or early evening. "Senior" ice times vary.

How do I get more information or request a membership form?

Call Lori Haggerty (Membership Chair).

Forms can also be found at our website:

www.eicfsc.com.

How do I join the club?

Complete the membership forms and submit to Lori Haggerty with the membership fee of \$85.00. (First time USFS members are charged a reduced fee of \$55.00.)

Club professionals (coaches) are listed in this brochure. Fees charged by the professionals vary, so please contact them directly to discuss fee structure, teaching techniques and style.

The Club is separate from the City of Eagan's Skating School/Academy. Many EICFSC members continue to participate in Eagan Skating School/Academy group lessons and the annual ice show, in addition to skating on Club ice.
